COMMODORE
SHANNON DAVIS

Thank you to all of our members that have supported our club this year. We followed County Health Orders and state guidance. Our members attended club events. We had times when we could only serve food and beverages outside - and it was cold outside, but you came to the club. Your donations allowed us to pay off our mortgage on time. We eventually could resume events for non members. We disclosed at our General Meeting in November that the Club is in good financial shape for this time of the year. We have not raised member bar prices. We have kept our dues at the same level for many years. Our dues for 2022 are due on January 1, 2022. If you can pay your dues in advance, it will be appreciated, of course.

Now we can be inside, we just need to show proof of full vaccination or a negative COVID-19 test within the last three days in order to enter the club. We have many events coming up.

Our annual **Lighted Boat Parade** is December 11th. Decorate your boat and enjoy the fun. Win prizes for your decorated boats! To enter, register with Port Captain **Samantha Fox**. Non-members can participate in the parade, as well, for a \$15 registration fee. Bar opens at 4 pm. The boat parade is at 6 pm, followed by a potluck dinner. Please bring a dish to share. This is always a fun night to cruise in the parade or just watch the lighted boats. See the flyer in this issue.

On **New Year's Eve** we will have a prime rib dinner prepared by **George Iaconis'** crew and music all night provided by **DJ Watergate** for your dancing enjoyment. Bar opens at 4 pm. Dinner at 6 pm. We will celebrate the dropping of the ball in New York Times Square at 9 pm and again at midnight. Maybe, we will celebrate with Chicago and Denver, too. Make your reservations with **Chris Brodsky**. See the flyer in this issue.

Our newly-elected club officers and directors for 2022 officially take office on January 1, 2022. We will honor **Commodore Denise Davis** with a Cruise Out on January 1 at 10 am. Coordinate with **Fleet Captain Johnny Morgan** to participate in the cruise out. Come join the fun. Bar opens at 9 am. We will have a potluck brunch after the Cruise Out. Even if you don't have a boat, bring a dish and enjoy the fun.

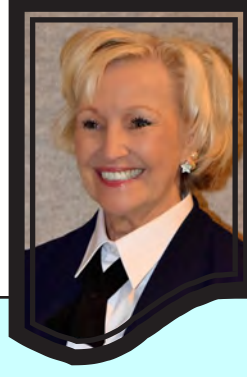

Our **Past Commodore's Ball** will be held on January 29th featuring the fabulous **Project 4 Band**. Dance to live music! A delicious 5 course meal will be served with a choice of two entrées. I will be recognizing our achievements from 2021. Get your reservations in. See flyer in this issue.

It has been an honor to serve as your Commodore this year. It is my

Since September we have been extremely busy. Our bar sales have been the best on record for the past several years. We've had **Casino Night**, **Halloween**, and the **Chili Cook-off**! We have done very well with our **Wednesday Night Dinners**, **Monday Night Football**, Friday and Saturday nights, and our member and nonmember rentals — thank you to our bartenders—**Kandi Sweeney**, **Shelly Hawkins**, and **Mark Pavusko** for their hard work and dedication.

Our October **Annual Holiday Craft Faire** was a fun day for our vendors, volunteers and me. A huge thank you to **Margie Huff**, **Chris Brodsky**, **Marlon Brandle** and **Meri Dobbs** for volunteering their time to make this a special day! This year we provided doughnuts, coffee, hot dogs and security for everyone.

Our members and guests had a scary/fun filled night during our **Halloween Party**. We enjoyed a great dinner provided by **Shirley Acosta**, great music by **DJ Watergate** and everyone's participation in our games and Halloween Contest! It was a fun event everyone should enjoy again next year.

Our **Annual Chili Cookoff** hosted by **Sue McDaniel** was again another exciting and enjoyable time for our members and guests. A

great pleasure to turn the helm over to **Denise Davis** for 2022. She will be a great leader for the club. I'll be proud to serve as staff commodore. This club means a lot to us. We met at this club, we got married on the waterfront and had our wedding reception at the club.

Looking forward to seeing you at the club soon. This is fantastic club because of our caring members.

Greetings fellow Pittsburg Yacht club members!

Strict vaccine mandates in Contra Costa County are in effect, requiring customers to show proof of vaccination at all indoor businesses. PYC initiated a similar practice with its club, requiring all members to provide proof of vaccine and adhere to the Pandemic Rules.

The pandemic is a fluid situation. To stay up to date on Covid-19 notices and rules. It's easiest to look at the public health department's website and the stats it's aggregating. Click here: [Contra Costa County COVID-19 information](https://www.coronavirus.cchealth.org/) (https://www.coronavirus.cchealth.org/)

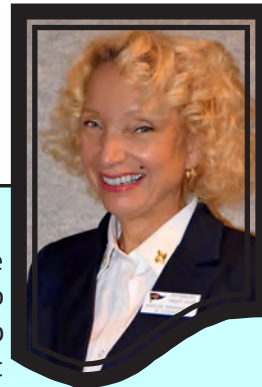

Help prevent the spread of COVID-19

- Wear a mask to protect yourself and others and stop the spread of COVID-19.
- Stay at least 6 feet (about 2 arm lengths) from others who don't live with you.
- Avoid crowds and poorly ventilated spaces. The more people you are in contact with, the more likely you are to be exposed to COVID-19.
- Get a COVID-19 vaccine when it's available to you.
- Clean your hands often, either with soap and water for 20 seconds or a hand sanitizer that contains at least 60% alcohol.

Happy Holidays!

As we prepare for Christmas and the New Year, let's make it a priority to support our club. 2022 membership dues can be paid now! If you haven't received the 2022 invoice, please feel free to reach out to me directly. Let's get those dues paid and make 2022 one of the best years ever!

Respectfully submitted,

- Avoid close contact with people who are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean frequently touched objects and surfaces daily. If someone is sick or has tested positive for COVID-19, disinfect frequently touched surfaces.
- Monitor your health daily.

Protect Unvaccinated Family Members

Some members in your family may need to continue to take steps to protect themselves from COVID-19, including:

- Anyone not fully vaccinated, including children under 5 years who are not eligible for COVID-19 vaccines.
- People with weakened immune systems or underlying medical conditions.

Hi, my darlings! The year is winding down and fortunately for us on **October 8th–10th** the **Delta Yacht Club**—with our own former Port Captain, **David Stickney**—leading the cruise in with 12 boats. Never a dull moment with these fabulous people. Thank you, David! Love you, XX.

Then on **October 15th–17th**, the **Sacramento Bayliners Yacht Club** joined us with 15 boats. Seven of those were 50 feet. We managed to accommodate them thanks to **Ralph Tocci**, who made sure there was plenty of room. Love you, Ralph, XX!

Please do not forget the **LIGHTED BOAT PARADE** on **Saturday December 11th**! There will be prizes for all participants. Please call me at either **916-233-7107** or **916-476-3123**. Please do not email me as I cannot open any emails. It is a **potluck** so bring your favorite dish or one you just want to get rid of! I'm sure my George will love either, LOL!

If you know of anyone who wants to join the parade with their boat and is not a member, there will be a \$15.00 charge.

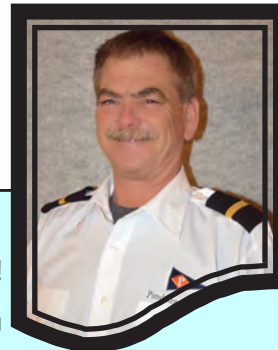

As always love you all and thank you for your help.

Big Kisses,
Samantha Fox

Ahoy there!

Christmas is finally coming our way!

The Lighted Boat Parade will start right around 5:30 pm. We will have a brief Captains meeting at 5 pm inside the clubhouse to discuss our route before we leave the docks.

Samantha will be making sure that nearly every boat gets a prize, so please let me know if you can make it.

If you have any questions, please let me know. Anyone with a boat, including non-club members will be welcomed with open arms for the parade and party. The entry fee for non-club members is \$15.00.

BOATING WITH JOAN (JOANIE) MARSH

By Judi Brandel

I began my interview with Joanie Marsh by asking a simple question. How many yachting organizations are you currently involved in Joanie? Joanie took a breath, and began—“Well, I’m not sure, but I’ll begin by naming them to you and we can count them together! “

And the organizations—like alphabet soup—spilled out of Joanie’s mouth

and onto my note pad and we began the count.

“**PYC**, yes that’s our very own Pittsburg Yacht Club, since 1979! And there’s the **CCC** (California Carver Club) and the **PCYA** (Pacific Coast Yachting Association) and the **RBOC** (Recreational Boaters of California) and the **PICYA** (Pacific Inter-Club Yacht Association) and the **PYCE** (PYC–Enterprises).”

She paused and then warned me, “Leave room as I may have forgotten one or two... oh yes.... I remember,” Joanie interjected smiling... The **IOBG** (International Organization of the Blue Gavel). That’s the fraternal order of past Commodores. What does that bring the count to now?”

Seven!

Since then, she has shared other organizations with me, I’ll save that for our next article on this powerhouse!

It was 1974 when Joanie, her husband and children bought their first boat. It was a 17-foot Runabout.

It was perfect for their family. Their son was a Boy Scout, and they took the boat camping with them enjoying the nearby reservoirs.

In 1978, it was time for a bigger boat. One Sunday morning they opened their newspaper and found an ad for a boat in Pittsburg. They had no idea where Pittsburg California was, and Joanie recalls the drive from their home in Los Gatos to Pittsburg took forever! In fact, they exited Highway 4, and asked someone walking on the sidewalk where Railroad Avenue might be! Luckily, it was the next stop. They arrived at Shed 3 at the Pittsburg Marina, and it was love at first sight. A big, huge 22-foot Bayliner Nisqually! The plan was to get a trailer and pull it around like they did the 17-foot Runabout, but that never happened!

Joanie had a faraway look in her sparkling eyes as she continued.

“That boat shrank in the water instantly!! “. She announced smiling. “Of course, with two adults, and the two children, and naturally, their 2 friends, the boat was too small before we knew it!”

Within six months they were heading over to the Bayliner dealer on Bethel Island. They happily traded their 22 foot - for a 28-

foot Bayliner!

All of the friends they had made in the previous six months in shed three greeted them as they brought their new Bayliner home. When they tied up and plugged in, the lights didn’t work. Just the start of another story with this “star-crossed” vessel.

Around 1983, Joanie found her “keeper”.

Hull number 22, a 38-foot Bayliner was Joanie’s pride and joy for 23 years.

In 2006, Joanie went to her first Carver, it was a 41-foot beauty named “**GONIEGO IV**”. This was the final of the four boats that carried Joanie’s pet name... yes, another story!

Our Joanie does not “half-mast” anything. Currently at the Pittsburg Yacht Club, Joanie holds the titles of parliamentarian, chair of the budget and finance committee, and member of the by-laws committee. She has been the PYC Commodore twice, 1988 and 1996. Within the clubs she’s involved in, Joanie is currently serving on, or has served as—the treasurer, the past commodore, the president, the past president, the vice commodore, the past district director, and currently preparing to be inducted as PICYA Commodore for 2022.

On January 22, 2022, our Joanie will be officially installed as the 2022 Commodore for the PICYA. It will be a grand event, and everyone is invited to attend. (See the flyer in this **YEOMAN** for all the details!)

Joanie’s contributions to the boating community are without end. Guided by her love, commitment, integrity, and grace she is an asset to each of us.

I’m quite sure I cannot leave enough space about the organizations that Joanie has been involved with. Since my initial interview with Joanie, she has continued to share organizations she is committed to—humanitarian and community projects that she’s been involved with, amid ideas about future community involvement right here in Pittsburg. Talking, sharing, listening, and being in the presence of Joanie, is inspiring. I am excited about being involved with any of Joanie’s projects. Bet you never guessed who helped plan the construction of the very Yacht club building we are all members of! There’s still lots of ground we can cover here—on and off the water. Please let me know if you’re interested in being “on board” with discussion, planning and participating in the next community endeavor. Here’s to looking forward to learning some new ropes. Joanie welcomes us to the helm!

...To be continued.

Yours—in the PYC,
Judi Brandel
