Hello everyone! The 4th of July fireworks on the marina were spectacular! Thank you to **Jan** and **George Iaconis** for providing a fabulous 4th BBQ. Also, our July 2nd dinner was wonderful. Thank you to **Marlon Brandle** and his crew for providing us with a wonderful dinner. We are looking forward to our Annual Membership Drive on Saturday, August 20th. We will have a great band and food for everyone to enjoy.

We have exciting activities upcoming for the remainder of this year—our Annual Casino Night, Annual Holiday Craft Fair, Halloween party, and more. Please come and join us, meet new friends, and enjoy our cruise-ins. You can see the list of cruise-ins in our Port Captain, **Samantha Fox's**, column on page four in this month's Yeoman.

For information on our next cruise-out, see our Fleet Captain, **Johnny Morgan's**, column on page four in this month's Yeoman.

Please come join us for the membership drive. You can bring friends and family so they can learn more about our yacht club and all the activities we have planned. We need volunteers to help with the activities.

We need volunteer cooks for Wednesday night dinners. If you love to cook, please contact Jan Cutaia, our event planner. You can prepare your favorite meal for everyone to enjoy.

Ahoy!

The monetary finances in our club have been steady and consistent over the past year.

Equally important, the dedication of our volunteers has been appreciated and is necessary for keeping the PYC running smoothly.

Thank you all, enjoy the summer!
Yours in the PYC,
Judi Brandle

Hi all,

We now have our very own private label wine. Come on down and try a bottle—maybe even buy one to keep as a souvenir! You are sure to love it.

And as always, big thank you to our bartenders **Kandi Sweeney** and **Ce Ce Hermida**, for all they do!

Thank you all,
Mark Pavusko

Greetings Pittsburg Yacht Club,

As the weather gets warmer, more members join us at the club to enjoy the atmosphere. We would really appreciate volunteers to help with the following.

1. The Building & Grounds Committee to help with setting up the club for parties.
2. The Building & Grounds Committee for the outdoor beautification.
3. The Galley Committee, which will be responsible for maintaining the total interior area of the galley.
4. The PYC Events Committee, to maintain all interior setups appropriate for all functions, including moving tables and chairs in and out of storage.

This is a completely voluntary club, and it takes ALL members of the PYC to keep it looking beautiful and running smoothly.

Please email directly with your availability.

We have had another successful "Rock the Dock" weekend event under our belts! Thanks to everyone who helped make it so.

Belvedere Yacht Club popped in for the Saturday the July 9th dinner. They are great people! We were so happy to see them there!

On Friday July 15th, Vallejo Yacht Club joined us for Shirley Acosta and crew's fabulous stuffed pork dinner. I'm still rubbing my belly.

Here is a current schedule for upcoming cruise ins

- ♦ **August 3–5:** Benicia Yacht Club
- ♦ **August 12–14:** Vallejo YC Commodore's Cruise-in
- ♦ **August 31:** Oakland YC—One night only
- ♦ **September 14:** Sea Ray Yacht Club—One night only
- ♦ **September 16:** Sequoia Yacht Club—One night only

As always, love you all,
Samantha Fox

At the July General Membership Meeting, I was happy to see so many of our new members in attendance.

I was pleased to introduce the following new members to our officers and the general membership:

- Josephine Hermida
- Wanda Lee
- Sandy Jones
- Paul and Kassie King

We welcome them and look forward to seeing them at the club.

Our annual Membership Drive is coming up on Saturday, August 20th. There will be dinner and music by DJ Charles.

This is a good time to bring a friend or neighbor to see what we are about and to see if they would like to join our club.

We have added Monday evenings to the nights that we are open, another night to enjoy our fabulous view of the delta and a refreshing drink with **Ce Ce Hermida** behind the bar.

Enjoy your summer and I'll see you at the club!

PYC and Friends,

We will be cruising out to the Petaluma Yacht Club Aug 25th–Aug 28th. The Yacht Club is located in downtown Petaluma with easy access to shopping, entertainment, and dining. Petaluma and its waterways have recently been dredged, offering good water all the way up to the basin.

Thank you to everyone involved in putting together a fantastic 4th of July "Rock the Docks". We, and everyone who attended, had a great time.

I will have more for you on our September Cruise out soon.

Thank you,

Johnny Morgan

MARILYN SPERLING

Hello to all of you who read my PICYA column in the PYC Yeoman—thank you so much for your wonderful comments and participation.

Several new events are coming up to help Pittsburg Yacht Club continue in our status as a Four or Five Star Club. ★★★★★ To do this, we need more COTY points!

Next on the Agenda for Pittsburg Yacht Club Activities with PICYA:

August 20–21: Delta 360 Cruise around—see PICYA.org for complete details and sign up.

September 17: Coastal Clean Up Day, 9:00 AM–Noon. We will do some basic clean up around the Club and hopefully engage Pittsburg High School Students to help and get required community credit toward High School Graduation.

October 2: Delegates Dinner & Meeting at Elkhorn Slough Yacht Club near Monterey. Open to all our members. Premier weekend getaway. See PICYA.org for more details and sign up.

SUMMER 2022

Advocating for the Best Use of Boater Taxes & Fees

With the objective of enhancing the dedication of boater-paid fees and taxes, RBOC is participating along with other members of the boating community in the public stakeholder process that the Division of Boating and Waterways [DBW] and the Boating and Waterways Commission have undertaken.

This RBOC-encouraged process is providing stakeholders with the opportunity to obtain information and provide input into recommendations that are being prepared for submission to the Legislature to address the deficiency in the Harbors and Watercraft Revolving Fund [HWRF] and an appropriate adjustment in vessel registration fees.

For the past several months, we have participated in the subcommittees and have reviewed the boater-derived fees and taxes that boaters contribute to the state, the expenditure of those revenues, the objectives of current programs and services, and opportunities to enhance the value programs and services to recreational boating.

As these activities continue into

the summer, several recommendations are becoming clear and developing traction. They include:

- The preparation and publication of an economic impact report of boating on a regular, ongoing basis..
- A return of a significant amount of the motor vehicle fuel taxes attributable to recreational boaters to programs directly benefiting boaters.

- The enhanced participation and financial contribution of stakeholders and beneficiaries who benefit from current and future programs and services.
- The enhancement of the statutory authority and role of the Commission to provide not only advice, but also consent on the Division's loans and grants from the HWRF.
- The enhancement of the Division's administration of essential programs.
- The identification of efficiencies and improvements to programs that do not attract the desired number of recipients due to statutory requirements that may be out-of-date.

■ Encouragement of Californians to take advantage of the unique and diverse on-the-water opportunities that exist throughout the state. The pandemic has confirmed the value of on-the-water experiences that provide physical and mental benefits to all Californians.

■ The identification and commitment of other funds for grants for beach erosion control that is of increasing importance and value to the many coastal Californians as we endeavor to address climate change

■ As appropriate, a vessel registration fee adjustment that is reasonable and that reflects the revenues and savings that are recommended above.

We anticipate that a final report and recommendations will be submitted to the Legislature this fall.

PFAS in Vessels

There has been a push by environmental groups to ban certain "forever plastics" that are found in clothing, and other components (some of which are used in the manufacturing process of boats).

RBOC has supported the efforts of the National Marine Manufacturers Association to obtain amendments now incorporated into AB 1817 [Ting] to provide an accommodation on the proposed ban on intentionally

Continued on next page

added PFAS in textiles for vessels and their components in acknowledgement of the importance of this chemical to provide waterproofing and water resistance. PFAS are per- and poly-fluoroalkyl substances. The bill remains controversial and will be considered in the Legislature in August.

Abandoned and Derelict Commercial Vessels

RBOC has obtained the agreement of Senator Eggman and the proponents of SB 1065 to include in the measure a specific prohibition against the boater-fee-supported DBW program for derelict and abandoned recreational vessels from being tapped to support the proposed commercial vessel program.

This measure would establish the California Abandoned and Derelict Commercial Vessel Program to identify, prioritize, and fund, the removal of abandoned and derelict commercial vessels from waters of the state.

Outdoor Recreation and Preservation of Water

RBOC supports the expansion of sustainable outdoor recreation, the preservation of ocean and inland waterways, and the promotion of the economic development and job growth that can occur in this sector.

RBOC is advocating that, as these initiatives move forward through

legislation and administrative actions including the 30x30 and Outdoors for All efforts, and baselines are established to measure our progress. It is essential to acknowledge the significant progress that California has already achieved, the tremendous value that on-the-water recreation provides in sustaining our mental and physical health, and the importance of measures that consider and incorporate reasoned perspectives.

Vessel Waste Discharges

RBOC has worked with Senator Nielsen to ensure that SB 995 would not have an unintended impact on discharges of waste in navigable waters incidental to the normal operation of a vessel.

The Senator later decided not to move forward with the measure that was intended to better protect clean drinking water, wildlife, and sensitive riparian areas by expanding current law to add hazardous, medical, or human waste to the list of items that cannot be dumped in or upon state waterways with a potential misdemeanor penalty.

Delta

Due to the negative impacts the project would have on the navigation of recreational vessels, RBOC continues to oppose the proposed Delta Conveyance Project that would construct a single 44-mile-long tunnel bypassing the Sacramento – San Joaquin Delta with the stated goal of providing for a sustainable transport of water south through the California Aqueduct. The release of a draft environmental impact review is anticipated to occur this summer.

Floating Home Rent Control

AB 252 would restrict the annual amount by which a marina could increase the rent for a floating home berth to three percent plus inflation up to a maximum of five percent.

RBOC has worked together with the marine industry to obtain the agreement of Assembly Member Bonta to include a provision ensuring that the measure is clearly and appropriately restricted to floating homes, floating home marinas and floating home slips, and not to recreational marinas or recreational vessels with or without liveaboard privileges. The legislation is moving forward as revised and with a limitation on its application to Alameda, Contra Costa and Marin counties.

DBW'S MISSION STATEMENT

The Division of Boating and Waterways (DBW) brings together a body of knowledge as the state's expert in recreational boating-related matters, including public access, safety and education, marine law enforcement, and consumer and environmental protection.

ABOUT THE CARD

The **California Boater Card** shows that its holder has successfully taken and passed a NASBLA*/state-approved boater safety education examination. The California Boater Card program is phased-in by age for operators of motorized boats on state waterways (see phase-in schedule below). **As of January 1, 2022**, the card is required for operators 45 years of age or younger. [START YOUR APPLICATION HERE.](#)

By 2025, all persons who operate on California waters will be required to have one. The lifetime card fee is \$10. The lost card replacement fee is \$5.

The card is issued by the California State Parks Division of Boating and Waterways (DBW). Once DBW has received your application, proof of education and payment, you will receive a 90-day temporary boater card by email. You should receive your official boater card by mail within 30 days from the time the application was approved.

California Harbors and Navigation Code Section 678.11(b) contains the following phase-in schedule based on operator age:

- January 1, 2018 – Persons 20 years of age or younger
- January 1, 2019 – Persons 25 years of age or younger
- January 1, 2020 – Persons 35 years of age or younger
- January 1, 2021 – Persons 40 years of age or younger
- January 1, 2022 – Persons 45 years of age or younger
- January 1, 2023 – Persons 50 years of age or younger
- January 1, 2024 – Persons 60 years of age or younger
- January 1, 2025 – All persons regardless of age

+California age restrictions for operating a motorized vessel: According to California Harbors and Navigation Code Section 658.5, NO person under 16 years of age may operate a boat with a motor of more than 15 horsepower, except for a sailboat that does not exceed 30 feet in length, or a dinghy used directly between a moored boat and the shore (or between two moored boats).
