**FROM THE BRIDGE**  
**COMMODORE**  
**GEORGE IACONIS**  
 g.iaconis@yahoo.com  
 925.260.6070

I would like to start by thanking Commodore *Denise Davis* and the 2022 Board of Directors for doing such a great job keeping our club running smoothly for the last year.

That being said, as we begin a new year, I am excited for the opportunities that it brings. In 2008 we refinanced our loan with the city giving us the funds to shine our jewel of the delta. That was 15 years ago. Now the loan with the city is paid off, so there is no refinancing possible.

It is time once again to do some shining. There are several projects that we can do through work parties that will keep the expense for those projects to a minimum.

Remember we are all volunteers, so when we call for a work party, be part of the fun, pitch in, show us your skills.

The biggest project, and most expensive that comes to mind is replacing the carpet, 15 years has taken its toll. I urge you to consider donating to the building fund when paying your dues. If you have already paid your dues, a donation can still be made anytime you wish. All building fund donations will be specifically earmarked for club improvements.

We have several fun events planned for the coming year. Fun will be our theme in 2023. Isn't that why we joined—to have fun, and share camaraderie with other members and our friends? Keep an eye on the calendar and invite your friends to join us for events, or just come down for a cocktail. That is how we grow our membership.

I hope to see you all around our club. I am looking forward to having a great and prosperous year.

Your 2023 Commodore,  
**George Iaconis**

Happy New Year! I hope you all enjoyed the holiday season.

We welcome our new board of directors for 2023 and wish them a productive year.

I am happy to announce our first new members for 2023. Many of you will recognize them as they have many friends in our club—*Ron* and *Lauren Cirimele*. We are so happy to have you join us.

Looking forward to a fun filled year.

Ahoy PYC,

Thank you for the opportunity to serve you as acting Vice Commodore for the last 3 months of last year, and I welcome 2023 as Vice Commodore.

I look forward to continuing to work with the bartenders and Commodore to maintain the excellence of the Pittsburg Yacht Club.

With much thanks and appreciation to our great bartenders—*Kandi Sweeney*, *Ce Ce Hermida* and *Jan Iaconis*, the bar is doing great. Thank you, ladies, for all that you do.

Welcome back to the position of Commodore, *George Iaconis*.

I am very excited, there is much to do around the club. I'm so pleased that I have some great people helping me complete some of the problems that need to be looked at during this year. We are starting in the kitchen! *Larry Tolson*, *Jan Iaconis* and I are going out and purchasing new pans, knives, and other items that we desperately need. Then we're going to have a work day to clean. I have some great ideas that I will bring to the board. I will have a better report next month once I get my feet wet.

Hi everyone! It's nearly Christmas and we celebrated our annual Lighted Boat Parade Saturday, December 10<sup>th</sup>. Despite the inclement weather, we still had a very good turnout inside and out.

The boats were decorated to the hilt. The judges had a hard time choosing the winners and, as always, refused all bribes!

Our judges were:

- *Debbie Wagner*
- *Barbara Cruz*
- *George Converse*

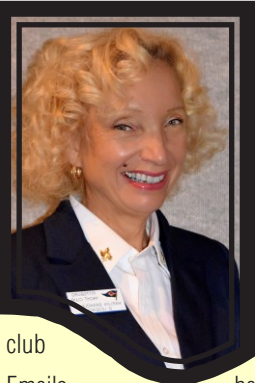

*And the Winners Are...*

- First Prize: *Marlon* and *Judy Brandle* with their boat, B-Legends
- Second Prize: *Phillip* and *Cheryl Clarke* with their boat, Navanax
- Third Prize: *Johnny Morgan* and *Mary Rosson* with their boat, Blitz
- Fourth prize: *Art* and *Tisha Wake* with their boat, Wake Zone

I must thank you all so very much, you lit up the waters and made many people happy.

I must also thank all that brought the sumptuous food for the potluck, you never fail to amaze me with your generosity.

Much love to you all,  
**Samantha Fox**

Happy 2023, PYC!

It is all about you, here at our beloved Pittsburg Yacht Club. Please get your membership dues in now. Dues are the foundation for keeping our "above water"!

club Emails have been sent to all members with the 2023 Membership Dues invoice. If you have not received your annual billing, please contact me directly with your email information at:

Per our PYC Bylaws Section 2 - Dues/Assessments

*..."Dues for Full and Individual Memberships may be paid in full or according to an installment plan approved by the Board of Directors. The first payment and the choice of payment plan for the year will be due in the month of January. No installment plan shall be available for non-voting, special, short-term or promotional.*

Ahoy Mates!

Despite the weather, December's Lighted Boat Parade was a fun-filled boat ride, followed by a nice party at the club. The word on the street is that *Marlon Brandle* paid off several of our Judges and took 1<sup>st</sup> place with his and *Judi Brandle's* superior decoration skills. Marlon's big mistake was greasing the Judges in advance because their boat B-Legends would have won hands down even without spending his hard-earned money!

Please join us for our New Year's Day cruise that will take place just before our New Year's brunch at 0900 on New Year's Day. If you don't have a boat, please ask one of us who does, for a ride-along. We'd love to have you if room on our boats allows.

More to come soon on upcoming cruise-outs that will begin in April.

Thank you,  
**Johnny Morgan**

*first day of the month due, will receive notice that they are in default. Appeal may be made to the Board of Directors which has the authority to grant a grace period or agree to a change in the installment plan. Without intervening action by the Board, the individual(s) will be notified that the membership in the Pittsburg Yacht Club is cancelled for non-payment of dues."...*

You may pay your dues at the club, online, or checks can be sent to the PYC at PO BOX 971, Pittsburg, CA 94565.

Within 14 days of receipt of your dues, your Pittsburg Yacht Club 2023 membership card will be mailed or delivered to you.

Your prompt payment helps to make this annual process run smoothly—and it is appreciated!

If you have any questions, please don't hesitate to contact me directly.

Yours in the PYC,  
**Judi Brandle**

## SAFETY COMMITTEE MARLON BRANDLE

secampi@aol.com

### Recreational Boating: Stay Safe on the Water

With nearly [12 million recreational vessels](#) registered in the U.S., millions of

Americans are enjoying time on and in the water.

In 2021, the [U.S. Coast Guard](#) reported 4,439 boating incidents that resulted in 658 deaths, 2,641 injuries and about \$67.5 million in property damage. Stay safe by being prepared and using the appropriate equipment, whether enjoying a ride on a motorized boat, paddling a kayak or wakeboarding.

### Life Jackets Are Essential

Life jackets are at the core of safe boating, whether using a motorized or non-motorized vessel. The U.S. Coast Guard reports 81% of boating deaths in 2021 were due to drowning, and 83% of the victims were not wearing a life jacket.

While regulations on life jacket use [vary from state to state](#), the [Wear It](#) program of the National Safe Boating Council promotes boating safety by encouraging boaters to wear life jackets any time they are on a boat, motorized or non-motorized.

Good swimmers still need life jackets. When people fall off a boat, they may become disoriented, injured or unconscious. Life jackets can keep victims' heads above water so they can breathe and be rescued more easily. Every child should wear a life jacket at all times when boating.

[Choose the right life jacket](#) for the activities you will be doing. Double check to make sure the life jackets are U.S. Coast Guard approved and [fit correctly](#):

- Make sure the jacket is a proper fit for your size and weight.
- Make sure the jacket is properly fastened.
- Hold your arms straight up over your head, ask a friend to grasp the tops of the arm openings and gently pull up; make sure there is no excess room above the openings and that the jacket does not ride up over your chin or face.

### Get Educated, Reduce Risks

The National Safe Boating Council encourages following these [boating safety tips](#) to help minimize risks:

- Take a [National Association of Boating Law Administrators safety course](#).
- Be familiar with the [boating state laws](#).
- Know the ["Rules of the Road"](#).
- When operating a motorized boat, [know about carbon monoxide](#); this odorless, colorless poisonous gas is emitted by all combustion engines and onboard motor generators

### Be Prepared

Before setting out:

- Check that your equipment is in good working order; get a [free vessel safety check](#) with your local U.S. Coast Guard Auxiliary or U.S. Power Squadron.
- Review a [pre-departure checklist](#) to ensure you have everything you need in your boat, including a tool kit and first-aid kit.
- Before you leave, always file a [float plan](#) with someone you trust.
- Dress properly and bring an extra set of clothes in case you get wet.
- Don't forget the sunscreen and know the [signs of heat illnesses](#).

### Exercise Good Judgment

- Respect your limits and keep within your limits to avoid injury.
- [Don't drink and drive a boat](#); alcohol affects judgment, vision, balance and coordination.
- Once on the water, use common sense; in a split second, a situation can arise or the weather can turn.
- If you notice storm clouds, a sudden temperature drop or wind speed increasing, play it safe and get off the water.

### Safety Tips for Water Skiers, Tubers and Wakeboarders

Skiing, tubing and wakeboarding are popular water sports, but they also can be dangerous with participants traveling at high speeds. Remember to take the following steps to minimize the risks:

- Learn how to get up out of the water and how to safely use the tow rope.
- Always have a spotter in the boat, and go over [basic hand signals](#).
- Make certain the towline is not caught in the propeller or wrapped around you prior to beginning.
- Wait for the propeller to stop before getting back on the boat.
- Enjoy these activities during daylight hours only.

Once there was a woman, everyone called Ma. She owned a cow that ate anything colored red.

One night just as a squire happened along, an open bucket of red paint fell on him. The cow saw this and ate the squire.

Two detectives showed up, deduced all that transpired, and one asked, "But where is the red squire?"

The other one said, "In Ma's cow."
