ALL HANDS ON DECK! We have a very important general meeting this month. Please mark your calendars for the 2nd Friday, July 14 at 7 PM. The membership will be voting to approve some bylaw changes that were brought to the board and approved to bring to the membership. The changes are published in this addition of the July issue of the Yeoman.

We will also be ringing eight bells for our dear friend and long-time member, Al Camacho, who passed away suddenly.

Our July board of directors meeting has been set for Monday, July 10th at 5:30 at the club. This is due to the July 4th holiday.

As usual at this time of year we are very busy at the club with functions, events, and rentals. Watch your calendar, the group e-mailings, and Facebook! A lot of fun is to be had if you attend.

Thanks to all the volunteers who helped install the new stoves in our kitchen. I haven't had the chance to cook with them yet, but I hear from those who have that they are GREAT. If you would like to try them out and want to show off your cooking skills sign up for a Wednesday night dinner or some other event as we are always looking for chefs.

As far as club business is concerned everything is running smoothly without any major hiccups. Our lease with the City will be up for renewal in November so we are opening negotiations with them soon.

Come down to the club and have a great time, I will see you there.

Your Commodore,
George Iaconis

TREASURER
JUDI BRANDLE

Ahoy PYC Family—

The finances at our club are in good shape. THANKS to the PYCE for their around-the-clock dedication and THANKS to the bartenders, for everything they do to keep the PYC our happy place!

And of course, to each of us a big THANK YOU too, for all the things—big and little—that we do for our Pittsburg Yacht Club!

Yours in the PYC,
Judi Brandle

VICE COMMODORE
MARLON BRANDLE

We continue to do great things at the bar. Our profits are still averaging around 35%. The Cruise-ins have been great supporters of our income.

The variety of delicious drinks our bartenders serve with a smile certainly helps! Thank you as always, *Kandi Sweeney* and *Ce Ce Hermida*.

Here's to a great summer at the Pittsburg Yacht Club!

Hello my fellow members!

We finally got our new ten burner to oven range installed. It was a challenge trying to get it through the door, but thanks to the workers and *Johnny Carpenter*—we made it work.

I power washed the deck, so it looks nice and clean now. *Barbara Cruz* dusted all the windows around the outside and inside, thank you Barbara.

We had a problem with the plumbing in the kitchen where there was lots of grease so we need to get a plumber to clean that out. I did get an estimate of \$350.00 to do the repair. Do we have any plumbers in the club that can help us? Please contact me if you can help!

I'm currently getting bids for the railing.

We have a music system now that will allow us to play music in case Charles—DJ Watergate—is unable to play for us. We used it during our last cruise-in. Everyone was dancing so this is going to work for us. Thank you, George Iaconis, for allowing us to buy this. It is located in the liquor room, and it has two microphones. This will allow us to do karaoke as well.

I would always like to thank everyone that has helped me and donated items like the *Carol* and *Frank Teiche* and Barbara Cruz.

I would like to see new members get more involved in cooking. I am willing to show you around the kitchen and how not to be afraid to cook for thirty-five people! I'm here to help you, but please volunteer. Each member is required to do eight hours of volunteer work per year, and this is a fun way to fulfill that commitment.

The weather was beautiful except for a little wind that was handled well by the exceptional sailors from Delta Marina and Carver Yacht Clubs when they joined us Friday, June 9th through Sunday, June 11th.

Friday night was excellent! Thank you to our beautiful *Tammie Mutulo* and crew who served rigatoni, Parkside sausages and sauce, bread, and cookies. Thank you, my darling, love you—xxx!

Saturday night was another night to put on the books thanks to “our girls” *Shirley Acosta* and *Barbara Cruz*. Wow, where do I start? The half pineapple filled with shrimp and everything else was beyond delicious as were the beef and pork fajitas that followed. Love you both and thank you so much—xxx!

Music was supplied by M.C. *Eddy Magallon*. He never stopped until we dropped! Absolutely excellent my darling—xxx.

Sunday Brunch was served by “the girls” Shirley and Barbara to make sure our cruise-ins left with a full tummy. Thank you again for all you do!

Must not forget our barkeeps *Kandi Sweeney* and *Ce Ce Hermida* who as always do a grand job! Big smooches to you both.

We had thirteen boats in total. I am very happy, and I hope you are all too.

Love as always and looking forward to seeing you all soon.

Upcoming Cruise-Ins:

- ♦ **July 4:** Diablo Yacht Club – Exact dates TBD
- ♦ **July 26:** Solano Yacht Club – One day only

PITTSBURG YACHT CLUB—4 STAR CLUB

The June 4th PICYA Luncheon and Meeting was held at Pittsburg Yacht Club. It was a huge success. Over 70 members and delegates were present. Pittsburg Yacht Club *Commodore George Iaconis*—seated at the head table—introduced the fabulous culinary co-team of *Shirley Acosta* and *Barbara Cruz*, the serving team headed by our professional *Jan Cutaia-Iaconis* and her team—*Denise Davis*, *Meri Dobbs*, and *Margie Huff*. He also thanked our wonderful bartenders *Kandi Sweeney* and *Ce Ce Hermida*, who were there to serve the PICYA early birds arriving before 11AM. Also working in the Galley was *Marcella* and her son. A round of applause continued for the wonderful luncheon which consisted of a salad of greens and fruit, chicken piccata with pasta, fresh artichokes, and cheesecake for dessert.

The 2023 PICYA Commodore Larry Mayne actually sailed his yacht to this event and invited several friends to the luncheon. Thank you, Commodore Mayne.

Greetings everybody!

I will be placing orders for PYC clothing and merchandise. The catalogue should be available for viewing at the bar. To make the order worth the while for the printer, we need to know what everyone wants and how many. If you are interested in getting hats, t-shirts, sweatshirts, etc., please send me an email at docgholler@yahoo.com and let me know the details and quantities. Once we know what and how many items everybody wants, we can place the orders. Updates to follow.

Attention PYC Members,

PYCE will be looking for new members to take over running the committee for the year 2024, starting in April. We need a new President to replace *Nora Sanchez* and a new Treasurer to replace *Linda Merletti*. Both have been in their positions 2 and 3 years respectively and it is time for others to take over.

Melody Royal has graciously accepted the position as Vice President in place of *Nancy Borjon* next year. She is currently in training for the position.

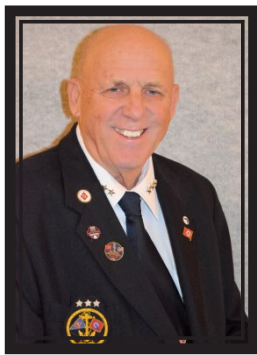

Nora and Linda will gladly train anyone that might be interested in getting involved and working their volunteer hours. PYCE has a great committee and has provided lots of revenue for the club these past few years. We would like to keep contributing but we need volunteers to step up and take over these duties as well as extra committee members. If you are interested contact Nora Sanchez and she will be glad to discuss the positions with you.

Safe boating is the responsibility of each and every one of us.

BOATING SAFETY TIPS

Keep the fun on the water coming—whether it's a fishing boat, a canoe, or a personal watercraft that "floats your boat"—operator inexperience, inattention, recklessness, and speeding are the four leading causes of tragic watercraft crashes, and the leading cause of death is drowning.

Crash statistics indicate boaters who wear life jackets and take boat-er safety courses are most likely to stay safe on the waters. Follow these basic safety tips and enjoy the Delta and area waters with family and friends.

LEAVE ALCOHOL ONSHORE

Never use drugs or alcohol before or during boat operation. Alcohol's effects are greatly exaggerated by exposure to sun, glare, wind, noise, and vibration.

USE AND MAINTAIN THE RIGHT SAFETY EQUIPMENT

Have a U.S. Coast Guard-approved life jacket for each person onboard and one approved throwable device for any boat 16 feet and longer. The [Division of Boating and Waterways](#) recommends that everyone wear their life jackets while on the water.

Have a fire extinguisher.

Have operable boat lights. Always test boat lights before the boat leaves the dock and carry extra batteries.

Emergency supplies - Keep on board in a floating pouch: cellphone, maps, flares and first aid kit.

BE WEATHER WISE

Regardless of the season, keep a close eye on the weather and bring a radio. Sudden wind shifts, lightning flashes, and choppy water all can mean a storm is brewing. If bad weather is approaching, get off the water early to avoid a long waiting line in inclement weather.

TAKE THESE STEPS BEFORE GETTING UNDERWAY

Tell someone where you are going and when you will return.

Open all hatches and run the blower after you refuel and before getting underway. Sniff for fumes before starting the engine and if you smell fumes, do not start the engine.

Check the boat landing for any local regulations that apply. You can check on the [DBW website](#) for additional requirements.

FOLLOW NAVIGATION AND OTHER RULES ON THE WATER

Never allow passengers to ride on gunwales or seatbacks or outside of protective railings, including the front of a pontoon boat. A sudden turn, stop or start could cause a fall overboard.

After leaving the boat launch, maintain slow-no-wake speed for a safe and legal distance from the launch.

Follow boat traffic rules.

Recipe of the Month for September

On the Go Veggie Subs

From [the kitchen](#)

Total Time: Prep: 20 min.

Servings: 8

Ingredients

- 4 ounces cream cheese, at room temperature
- 1 clove garlic, minced
- 1 teaspoon olive oil
- 1 teaspoon kosher salt
- 1/4 teaspoon freshly ground black pepper
- 1 loaf soft French bread (not baguette)
- 1 (12-ounce) jar whole pimento or roasted red peppers, well-drained
- 1 medium tomato, thinly sliced
- 1/2 medium English or hothouse cucumber, thinly sliced
- 1 (12-ounce) jar quartered and marinated artichokes hearts, well-drained
- 1 1/2 ounces baby spinach (2 cups)

Directions

1. Mash the cream cheese, garlic, olive oil, salt, and pepper together in a small bowl (or the cream cheese container) with a fork until combined.
2. Slice the French loaf horizontally almost all the way through. Open the bread and spread the cream cheese mixture onto both cut sides. On the bottom half of the bread, layer the vegetables evenly in this order: pimentos or roasted red peppers, tomato, cucumber, artichoke hearts, and spinach.
3. Close the sandwich and cut crosswise into 4 sandwiches. Tightly wrap each sandwich in plastic wrap. Let sit at room temperature for 30 minutes before serving.

Make ahead: The cream cheese mixture can be made up to 2 days in advance and refrigerated. The sandwiches can be assembled a few hours in advance, wrapped, and refrigerated until ready to serve. The edges of the bread can get soggy after several hours, so be sure to drain your pimentos and artichokes well.

Storage: Leftover sandwiches can be wrapped and stored in the refrigerator for up to 2 days.
