I'm calling it "Sensational September" – my description for the month we enjoyed at PYC. Not only did we deliver on "FUN" – we added to the PYC Coffers again. Seafood Festival weekend was a great success for our club this year. The weather was great; the seas were calm – and to my knowledge, no one ran aground or missed the turn into our marina. Thanks to our members, friends, and guests who came out to support the weekend's events.

Our success would not have been possible without the efforts of:

- Fleet Captain **Jan Cutaia-Iaconis**: Who not only led our teams to victory, but was on hand to ensure they (Food, Security, Entertainment, Bar, Transportation, & Maintenance) had what they needed to keep the show going for the entire weekend!
- Port Captain "**Samantha**" – Who coordinated the cruise-ins we hosted for the weekend. (cha-ching!). They're still singing her praises – and have already made reservations for next year! Woohoo!
- Chef Dave and his Culinary Crew – Who knocked it "out of the park", once again, with Friday and Saturday night dinners.
- Vice Commodore **Gary McGrath** – Who coordinated our Volunteer Bartender Team (**Kandi Sweeney, Shelly Hawkins, Jan Cutaia-Iaconis, Joanie Marsh & Rich Hardy**) who worked extended hours all weekend to quench the thirsts of our members and guests.
- **Craig & Vicki Schoenthaler** – who served up some MOST EXCELLENT biscuits, gravy and all the trimmin's on Saturday morning.
- **Craig Schoenthaler** – Horse Race Announcer Extraordinaire – Who oversaw our Saturday Night at the PYC Race Track (and to all who got our fillies all gussied up for the big event).
- **Shelly Hawkins** – Who secured our DJ for Saturday night's after dinner entertainment.
- "Cabby" **Joe Dopart** – Who stood at the ready to drive our members and guests to and from the club all weekend.
- Rear Commodore **Joe Dopart** and the PYC Movers (sounds like a band, eh?) - Who made sure the club,

dining room, decks, and galley were spic and span throughout all the events.

And that's not all, folks! With sporting events like Monday & Thursday Night Football, the World Series, the NASCAR Chase, Wednesday Night dinner each week, and PYC's Annual Halloween Party - just to name a few - what better place to come for fun, friendship, great drinks, and a few chuckles, than at PYC? Come join us at the Jewel of the Delta.

Happy Fall to All!

Commodore "MJ"

August was a good month for rentals, cruise-ins and special events. To elaborate, we had two very profitable rentals and two very profitable cruise-ins, and thanks to Jan Iaconis and our members, one hell of a Casino night.

The feedback from many of our longtime members is - and I quote, "the attitude around the club is like the old days, keep that feeling alive and going." That 'attitude' is the result of all our members - *old and new* - working their tails off to make sure our cruise-ins and events appear to come off as one of our cruise-in yacht clubs said, "as well-oiled machinery."

Another Club. Below is the email our Port **Captain Samantha Fox** received from *Discovery Bay YC* regarding our hospitality during the Seafood Festival this year. Great job everyone.

"What a wonderful time everyone had last weekend. Your level of hospitality rated a 10!! The food was great and everyone loved the DJ on Saturday. We would like to book for 30 boats again next year. **Samantha**, you truly were just wonderful to work with. Thank you all for your hard work you certainly made us feel at home."

Kudos to all you members, and especially to our Bartenders, they have both carried a heavy load.

Next, we had the Seafood Festival and more rentals, so keep up the good work.

My "furniture movers" for the month were **Steve Biles**, **John Birdsell**, and new member **Dan Dobbs**.

I am very happy to report the completion of a rather long-standing project. Early in the year, I changed the defunct "ship store/library" in the clubhouse hallway to a "utility closet". Unfortunately, an initial attempt to cover the closet glass doors did not work. Since then, other coverings were researched and declined. Enter **Dan and Meri Dobbs** with a different solution. They covered the glass doors with non-see through white plastic panels, completing the project. They also covered the complete cost of the panels and hardware, etc.

Dan also worked with me to do one of the jobs I have been wanting to do all year - clean the garbage shed. Years and years of leaves and garbage were shoveled up and removed. We also installed wooden 2 x 2's in the shed to hold up the dumpsters lids while putting in the garbage.

Yet another cleanup project was completed by **Dan Dobbs** and myself. After I had trashed all unused items, **Dan** and I re-trimmed the fence ivy and raked, swept, and blew the area clean. Only useful items remain. We invite your inspection of the area.

I'd like to inform you that our club has a "landscaper extraordinaire". Without any fanfare, **George Grech** has been meticulously caring for the two beautiful spiral shrubs in front of our clubhouse.

But **George's** skills do not end with landscaping. **George** volunteered to help when I was trying to unplug the personal sink (small sink) in the Galley. Before you knew it, plumber's plungers and snakes came into play and **George** spent almost an hour in the crawl space under the club. Believe me, it is NOT NICE under there. Unfortunately, despite our efforts, we were unsuccessful unplugging the drain pipe. **George** subsequently called out a Rotor Rooter Vendor to unplug the pipe and paid for it.

George also cleaned the two functional barbecues on the back deck, which were positively filthy.

The club is in need of a couple of full or empty propane

We had another successful cruise out to the Marina West Yacht Club at Oxbow Resorts. Marina West Yacht Club did a fantastic job hosting us with two great dinners. What a great club. This will be on the books for next year. A special thanks to Jerry Termain & Bob Kocher from Marina West Yacht Club for all their hard work making this a great cruise-out. Next year, when we go back, Jerry promised he will do his beer can chicken.

I will report on Solano Yacht Club cruise-out in next month's Yeoman.

Coming up is our Down Bay Cruise-Out, hosted by **Craig & Vicky Schoenthaler**.

The club vacuum cleaner broke down again. It was repaired and is on-line again.

We continue to appreciate **Steve Biles** who faithfully keeps the front of our club sparkling clean each week. Thank you, **Steve**.

The city has finally started on the parking lot landscape project they promised me at the beginning of the year. So far, they have put in some plants on the south side and will be putting in more plants and a full layer of some type of "tan bark".

The Seafood Festival is over and what a great event it turned out to be for our club. Discovery Bay Yacht Club with 30 boats, Marina West Yacht Club with 1 boat and San Joaquin Yacht Club with eventually 9 boats. They also had 2 drive-ins, due to the fact that their boats broke down (can't keep good boaters down)! We had one boat from Marina West Yacht Club, with an added bonus, as they joined the club.

It was so much fun and no complaints from anyone. Amazing, considering how many people we entertained for 3 days.

Well, where do I start with my kudos?

Jan Iaconis, love you girl. You worked your small butt off organizing the breakfasts, security, and many other things. **Gary McGrath** made sure the bar was stocked and manned at all times. Thank you both! xxx

Our wonderful barkeeps, **Kandi Sweeney** and **Shelly Hawkins**, who made sure everyone's glasses were never empty. Thank you! xxx

Monica Fraga, **Joan Marsh** and **Richard Hardy** who took over the breakfast bar hours for Saturday and Sunday. As I watched them, they were never still, but kept smiling. Thank you! xxx

Craig Schoenthaler, who - as always - helped with the boats. Thank you! xxx

Vicky and Craig Schoenthaler and Commodore **Mary Jo Sullivan**, and all their helpers, for cooking breakfasts. Thank you! xxx

Van DePiero and **Matt Fraga**, who made sure Discovery Bay Yacht Club was happily ensconced in the other Marina. Thank you! xxx

Chef Dave DeMotte and crew for making sure that our guests were well fed. Thank you! xxx

Last, but never least my very dear friend **Margie Huff**, who collected the monies for me. This was no easy task, but she did it as always, with the patience of a saint. Thank you, Big hugs! xxx.

I probably have left off some names, but you know it is not intentional and I apologize in advance and I also thank you xxx

October flowers

Marigolds & Cosmos

Marigolds are often given as a sign of warm or fierce undying love or as a way of saying that you're content to be with the recipient.

There are about 50 species of marigolds that range in height from six inches to five feet tall.

Cosmos are a symbol of order, peace, and serenity. These semi-tall annuals are often planted along borders.

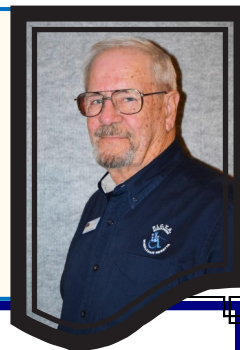

Cosmos will attract birds, bees, and butterflies to your garden.

PITTSBURG YACHT CLUB PRESENTS HALLOWEEN PARTY

A Halloween-themed illustration featuring a large, full moon in the center.
