Ahoy Everyone,

Spring is in the air and a lot of spring cleaning has been done thanks to **Richard Hardy** and his crew. Our club looked great for Opening Day.

Steve Brodsky has been working on welcome signs for cruise clubs. They are absolutely beautiful.

Saint Patrick's Day was a big success. Thank you, **Schoenthaler Family** and **Denise Davis** and her committee, for the decorations. Thank you, **Lynn Fogleman** for taking reservations and arranging the seating.

The events we do at our club requires a lot of work from planning and setting up. Then there is the cleanup and putting things away. I see the same members performing these tasks. It would be great to see some new faces. Please get involved! It is a lot of fun.

Here is a list of our upcoming events:

- Opening Day on the Delta, which is happening this weekend as I am writing this article.
- Friday May 4th – Cinco de Mayo – **Shirley Acosta** is putting on a fabulous dinner and we have live music Project 4 Band.
- Saturday May 26th – Western Night – **Debbie Wagner** is hosting this event. DJ Charlie Lopez is going to provide music and dancing. Hidden Harbor will be cruising in.
- Saturday June 9th – PYC Pig Out – **Mike Mirata, George Iaconis** and I are in charge of this event. Bill Champagne, from Solano Yacht Club will be roasting a whole pig and Solano Yacht Club is cruising in. Watergate with DJ Charles will be there for our entertainment.
- Saturday June 16th – Parking Lot Sale – **Steve Brodsky** is in charge. Save all your items to donate for the sale.
- On the Horizon, Rock the Dock July 4th, Casino Night August 25th, and Seafood Festival September 7th – 9th.

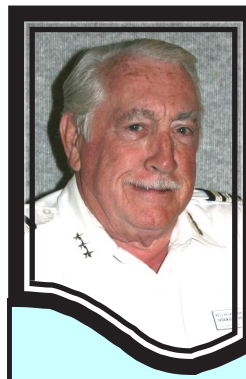

Please check the flyers in the Yeoman, on the Website and on our Facebook members page.

Our past events have had over 100 people let's keep the ball rolling!

The success of our Yacht Club greatly depends on commitment, volunteering of all our members and having fun.

See everyone at the club!

Well here we are in May already. Where did April go?? Anyway, we had a good month and were very busy. I was absent the last part of the month with this bronchial cold and infection, so I don't have anything of importance to report other than we need to stay active with as many cruise-ins and events that we can squeeze into every month.

May promises to be an active month and we will need all the member help we can get.

Until next month, "Stay thirsty my friends"

I have so many people to thank, for what turned out to be a very successful Opening Day on the

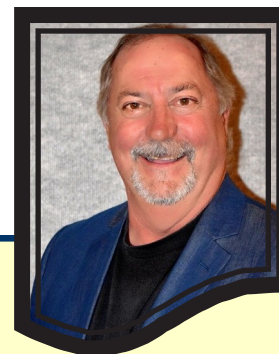

- Thank you, **Benicia YC**, for joining us for the weekend. What a great crowd of fun loving people. There were 38 people and 11 beautiful boats.

- Thank you, **Denise & Shannon Davis**. They supplied all the hungry boaters with hamburgers and hotdogs after the parade on Saturday.
- Thank you, **Joan Marsh, Richard Hardy, Phil & Carol Promessi** for the feast of steaks and chicken for Saturday night.
- Thank you, **Chris & Steve Brodsky** for doing so much. Steve not only made the fantastic Welcome Sign he also helped to cook the burgers. Chris is also on Denise Davis' team of very "crafty" people who design and make all the fabulous decorations for the club.
- Thank you, **Ben Blair** for bringing your new toy. You and your drone took fabulous aerial photos. After seeing them, several people want to buy one including me.
- Thank you, **Debbie Wagner** for taking pictures of everyone in the club. There were a lot!
- Both groups of pictures were transferred to the club's TV and were shown all afternoon.
- Thank you, **Watergate with DJ Charles**, for playing the music all day and night.
- Thank you to the bar staff. The bar was manned, as always, very professionally by **Kandi Sweeney** and **Shelly Hawkins** and was fully stocked, thanks to **Vice Commodore Gary McGrath**.
- Thank you to **Commodore Jan Iaconis**, who worked diligently to make sure everything went smoothly, and it did!

SUNSHINE REPORT

BY SUE MCDANIEL

Archie McFaul had a successful knee replacement surgery and is recuperating nicely. **Debbie Wagner** is having complications with her foot. She had a bad accident at work in December 2017, which severely crushed her right foot.

Stay healthy everyone, and if you know of a fellow member who needs some cheer, please let me know!

Ahoy everyone! We have new Burgees. They are custom made and heavy duty, to withstand all the elements on the Delta or going down bay for a long time. They are \$35.00 dollars apiece. Money well spent. For land yacht owners, this would be great to fly when we're all cruising

together. Also, any member is welcome to buy one. If you're interested please email me or call me if you would like one. I am usually down at the club for Wednesday Night dinner and most events.

SPECIAL EVENTS & DECORATING CHAIR DENISE DAVIS

nelsondenise2000@yahoo.com

I want to give a “HUGE” thank you one more time to our Decorating Committee members for all their dedication with our St. Patrick’s Day

Event! They are so talented and creative.

We held our decorating workshops on 3/10 & 3/16. **Mari Block, Joe & Margo Miyamoto, Chris & Steve Brodsky, Meri & Dan Dobbs, and Shannon Davis** did a beautiful job creating the tiered St. Patrick’s Day lighted hat centerpieces. They glued gold coins to our “Pots of Gold” and gold coins falling from the sky. They also created the entryway display, which consisted of the fountain of gold coins, leprechaun diving into the pot of gold, and a fantasy mushroom garden. **Steve Brodsky** constructed the lighted display base for our entryway display, which illuminated it so beautifully –Thank you so much Steve!

Our team hoped everyone enjoyed our decorating team’s homemade, sweet shamrock lollipops, placed in our ceramic green beer mug at each table. This was a fun project and a new idea for our guests to enjoy.

I am so grateful to my creative Decorating Committee team; their creativity speaks for itself. Their St. Patrick’s Day decorations provided a pleasing eye-catching flow to the theme. We aimed to WOW our guests. The demonstrated great teamwork for their unique design planning, volunteering their time to create this fun event, and now we are in our planning stages for upcoming Opening Day on the Delta “Theme of Nations”, Western Night, and The Pig out.

A heartfelt thank you also to **Margo Miyamoto** for decorating our Wednesday night dinner with our Easter baskets – so cute!!

Denise Davis

RBOC
JACK MICHAEL
2013 PRESIDENT
 WWW.RBOC.ORG

Well, we are beginning to get back to legislative business in Sacramento. As I mentioned previously, Paul Clausen, Past Commodore of the Stockton Yacht Club and Carver Club has been appointed to take my place on the RBOC Board of Directors. I will continue to be involved as a Past President and provide reports to you folks.

If you haven't seen it, BoatUS has issued a Call-To-Action regarding a proposal by President Trump to allow the sale of E15 (15 percent ethanol) gasoline year-round. This has set off alarm bells at the nation's largest boating advocacy group, Boat Owners Association of the United States (BoatUS).

E15 is prohibited by federal law for use in recreational boat engines, voids many marine engine warranties, and is currently banned for sale by the EPA during summer months over concerns that it contributes to smog on hot days. Under the President's April 12th proposal, however, a waiver to the Clean Air Act would permit the sale of E15 in the summertime at the same roadside gas stations where most recreational boaters refuel their trailered vessels.

"We are very disappointed, said BoatUS Manager of Government Affairs David Kennedy. "The proposal to sell E15 during the boating season is a recipe for misfuelling in the highest order and a give-a-way to the big ethanol and corporate farming interests at the expense of America's middle-class boaters. The little E-15 warning label, currently required on gas station pumps, does next to nothing to protect boater's engines, and if a waiver is granted, it would dramatically increase the chances of E15 getting into a boat's gas tank."

"With ethanol, boaters continue to pay the price with increased repair bills, lower fuel economy and poor reliability. Instead of more ethanol, we need more effective misfuelling-prevention measures that will educate and protect all consumers," added Kennedy.

Boaters have long suffered under the Renewable Fuel Standard's (RFS) mandate to increase the volume of ethanol in the nation's fuel supply. BoatUS is asking boaters for help on the issue by posting a message to

their congressman's or senator's Facebook page urging for RFS reform. This can be easily done by going to www.boatus.com/pressroom/release.asp?id=1372.

Passed in 2005, RFS requires the blending of biofuels, such as corn-ethanol, into the nation's gasoline supply. To keep up with this mandate, in 2010 the EPA permitted E-15 (fuel containing up to 15 percent ethanol) into the marketplace. but only for some vehicle engines.

The more than half-million-member boat owners group supports fuel choice, including smart biofuels development such as isobutanol, and the availability of ethanol-free fuels that are increasingly more difficult to find. "As more ethanol-blend fuels fill up the pumps, the fuel that most boaters want for safe operation is being pushed out of the market," added Kennedy.

BoatUS is a member of the Smarter Fuel Future coalition (smarterfuelfuture.org/)
