## FROM THE BRIDGE COMMODORE MARY JO SULLIVAN

Holiday Greetings to All,

"Thank you" can't begin to describe the gratitude I have for the fun and fellowship I've enjoyed as your PYC Commodore for 2017. Not only did we maintain financial health for this year, we were successful in recruiting new and returning members to our fold. Through this experience, I gained a greater appreciation for what it takes to lead a yacht club and a greater understanding for the phrase: Teamwork makes the dream work.

To that end, I have a special gift to share with you and yours this holiday season:

### ***'Twas the Boater's Night Before Christmas***

'Twas the night before Christmas, when all through the waterways,  
Boaters were dreaming of cruising routes and really fun getaways.

The dock lines were fastened, and we know that it's rare,

But narry a hurricane, nor foul wind blew there.

The cruisers were snuggled all safe in their bunks,  
Gifts were hidden away in lockers behind the bilge pumps.

The First Mate in his slumbers and I in watch cap,  
Had just settled down for a long winter's nap.

When out on the dock there arose such a clatter,  
I sprang from the bunk to see what was the matter.  
Banging my head on the bulkhead and making a crash,  
I peered out of the porthole at a red and green flash.

The moon on the marina where we'd spent all our dough,  
Gave the luster of mid-day to the water below.

When what to my wondering eyes should appear,

But a miniature sleigh, and eight tiny reindeer.

With a little old driver, a bearded pirate in red,  
I knew in a moment, I shoulda stayed in bed.

More rapid than seagulls his coursers they came,  
And he whistled, and shouted, and called them by name!

Now, Splasher! Now Wave Dancer! Now, Port and Starboard!

On, Channel! On, Charter! On, Dinghy and Whipcord!

To the top of the dock! To the top of the mast!

Now splash away! Splash away! Splash away fast!

As day sailors who before the wild hurricane fly,

When they meet with an obstacle, mount to the sky.

So up to the club house-top the coursers they flew,

With a sleigh full of gear, and that old pirate too.

And then, in a twinkling, I heard on the deck  
Hooves that were going to scuff it and play merry heck.

As I cursed and headed up towards the sound,  
Down the galley ladder St. Nicholas came with a bound.

He was dressed for frostbiting, from his head to his foot,  
Under Armor, Gill Three-Season gloves, and other loot.

A bundle of gadgets he had flung on his back,  
And he looked like a peddler, just opening his pack.

Back off you marauder, you better move quick!  
"Ahoy there, chill out, it's just me, St. Nick".

I must have hit my head pretty hard, I thought,  
As the pirate in red laid out gifts he had brought.

The stump of a Cuban cigar he held tight in his teeth,  
And the smoke it encircled his head like a wreath.

He had a broad face all tan and lined like a map,  
He handed me a crab pot, an EPIRB and tipped his cap.

He was chubby and plump, quite a handful of ballast,  
And I laughed when I saw, his hands too are calloused!

A wink of his eye and a twist of his head,  
Soon gave me to know I had nothing to dread.

He spoke not a word, but went straight to his work,  
And filled the fuel tanks, then turned with a jerk.

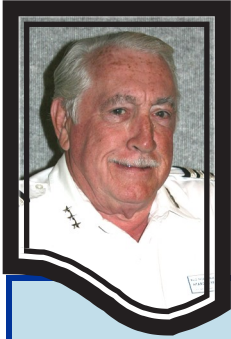

"These marine rates are outrageous!" cried the old Cringle.  
Then gave me a gift that folds, 'stead of one that jingles.

He sprang to his sleigh, gave a 3-minute whistle,  
And away they all flew like the down of a thistle.

But I heard him exclaim to the deer, 'ere he drove out of sight.

"Now remember on the way home, keep the red on the right!"

God Bless,  
Commodore "MJ"

**VICE COMMODORE**  
**GARY MCGRATH**

vicecommodore@pittsburgyc.com  
 925.682.5939

This will be my last report of the year for 2017 and, as such, I would like to thank all of you members for your continued support of the bar and all of the events throughout the year.

October was another good month with good profits for the Bar. The last six months have been very profitable and we need to maintain that level of profitability for 2018, which should be no problem.

It's been a pleasure serving as your Vice Commodore for 2017 and I look forward to doing the same in 2018.

I would like to take this opportunity to wish all of you members a very MERRY CHRISTMAS and a HAPPY NEW YEAR.

**WEDNESDAY NIGHT DINNERS**  
**LYNN FOGLEMAN**

LynnatNDRealty@aol.com

As always, we are looking for chefs. Please try to pick one week in a month to help out your club.

- 12/6: **Freddie** from the band Four Hits & a Miss\*
- 12/13: **Birthday / Anniversary Potluck**
- 12/20: ?
- 12/27: ?

This is the first time Freddie has cooked for us. Please attend and help Freddie have a great evening with us!

We are working on Friday night dinners but currently, we do not know who the chefs will be. We have recently had 2 good caterers and hope to have them back.

**REAR COMMODORE**  
**JOE DOPART**

My "dining room furniture movers" for the month were, again, **Dan Dobbs, Steve Brodsky, John Birdsell, Steven Biles, Shannon Davis** and **Vince Mutulo**.

**Steve Brodsky** completed the monumental project of replacing all 34 light fixtures in the dining room. He replaced the old, worn out, coming apart, marginally-safe fluorescent fixtures with new, cool, state-of-the-art, efficient LED fixtures. Truly, Steve has "lit" us all up.

**Steve Brodsky** has renovated our dining room/bar sound system. He fabricated and installed a matching shelf for the cabinet in our coffee area and packed it with audio equipment. We now have a microphone, AM/FM radio, CD player and a MP-3 player inputs to the sound system.

**Dan Dobbs** checked off several of the items on my Rear Commodore's To-do List, by installing several doorstops inside the club and a garden hose bracket on the deck outside the bar. He appeared to have fun finishing off several of my old drill bits as he said, "open wide", each time he drilled. He and Mari also "whited-out" the hallway closet.

With respect to the Galley, I am very happy and proud to announce that our Galley passed its annual health inspection (see inspection poster on the bulletin board adjacent to the front door). The Contra Costa County Health Inspector examined our Galley on November 7<sup>th</sup> and gave us her approval. Our Galley Manager, **Evie Dopart** and her crew did an excellent job cleaning and organizing the galley.

As I enter the home stretch of my Rear Commodore year moving toward the finish line of December 31, 2017, be advised I will continue to work on my To-do list to the finish line. Then, I will pass it on to the incoming Rear Commodore, **Rich Hardy**.

All the Rear Commodore things accomplished this year were not all done by me. They were done by "we" which equals me, and many other club members. First and, of course, foremost is my wife (wife #1) **Evie Dopart**, AKA Mrs. Rear Commodore and Galley Manager. As well as managing the Galley, she was my Telephone Correspondent.

(Continued on page 6)

## FROM THE PORT PORT CAPTAIN SAMANTHA FOX

portcaptain@pittsburgyc.com

Where has the year gone? It seems like only yesterday that I was writing my last article and here I go again.

I think and hope you will agree that in spite of the weather, either too wet or too hot, we had a pretty successful year. We had more cruise-ins and a lot more boats.

Thank you, Commodore Mary Joe Sullivan, for your excellent leadership and support. All Flag Officers, Directors, bar staff and you, our members, made my year a pleasure and so easy.

We have one more fun event coming up on Saturday December 9<sup>th</sup>, the Lighted Boat Parade. There will be prizes for the best decorated boat(s). Please bring a pot luck dish to share. See flyer this month's Yeoman.

I wish you all a wonderful holiday season and look forward to seeing you all next year.

S a m a n t h a F o x

*(Rear Commodore's Report Continued from page 5)*

**Rich Irwin** was my chief historian, always ready to help me with information of where things are and how things have been handled in the past.

My advisers were wife #2, **Dorothy O'Connor**, wife #3, **Sharon Rintala**, and wife #4, **Kandi Sweeney**. Wives are ranked by how many times they would call me.

My indispensable dining room furniture movers were **Dan Dobbs, Lea Keefe, Shannon Davis, John Birdsell, Steven Biles, Dick Butler, John Salazar, Rich Howell, Rich Hardy, Vince Mutulo** and **Al Camacho**.

Mechanical items were fixed/improved by **Dan Dobbs, Lea Keefe, Steve Brodsky, George Grech, Dick Butler** and **Rich Howell**.

Electrical Items were fixed/improved by **Steve Brodsky, Johnny Morgan** and **Dan Gilg**.

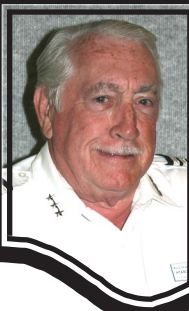

Outside cleanup and landscaping were done by **Steven Biles, Dan Dobbs, George Grech, Johnny Morgan, Dan Gilg** and **Carlos Jaramillo**.

Safety issues were handled by **Rich Howell** and **Sharon Rintala**.

Evie was assisted in the Galley by **Kat Parette, Kandi Sweeney, Melinda Keefe, Sue Howell** and **Lynn Havens**.

My many thanks goes to these club members who helped in my Rear Commodore efforts this year. Although the job of Rear Commodore was very challenging, it was also very rewarding. Thank you for the opportunity to do it.

## IOBG GARY MCGRATH

I just returned from the Annual Meeting in Cleveland, Ohio and have a few items of interest for you members.

There is a new Retention and Recruitment Program that your Area Vice Presidents will be receiving soon via snail mail. It will be a reward program based on each Districts percentage of new member increase as well as percentage of retention over the previous year. The AVP's will then present this program to each Director and monitor their progress.

A discussion was held concerning our IOBG coverage in the Northeast corridor (Mass., Maine, Vermont and New Hampshire) because our current NEVP cannot cover all this area. The Executive Committee will investigate the possibility of adding another AVP.

There was again, discussion of splitting certain Districts to allow better coverage and to further expand coverage of those Districts.

That's all for now, see you at the next District meeting.

## BOATING SAFETY

BY ED STETSON

**RECALL ALERT**—More than 40 Million Kidde Fire Extinguishers. This Kidde Fire Extinguisher equipment recall includes models supplied with boats and PWC from 1973 to 2017.

By Charles Plueddeman – BOAT.COM

November 8, 2017

**Editor's Note:** We received the following media release from BoatUS on Nov. 6<sup>th</sup> regarding an important recall of Kidde fire extinguishers, many of which may be on boats. I used the information and discovered that each of the three Kidde extinguishers in my household are subject to this recall. We urge readers with Kidde extinguishers on their boat or in their home or shop to take action.

ANNAPOLIS, MD, November 6, 2017—More than 40 million Kidde fire extinguishers equipped with plastic handles, some on the market for more than 40 years, have been recalled. According to the Consumer Product Safety Commission (CPSC), “The fire extinguishers can become clogged or require excessive force to discharge and can fail to activate during a fire emergency. In addition, the nozzle can detach with enough force to pose an impact hazard.” A recall for Kidde Fire Extinguishers has been issued for 134, ABC- or BC-rated models manufactured between January 1, 1973, and August 15, 2017.

CPSC says there have been approximately 391 reports of failed or limited activation or nozzle detachment, including one fatality; approximately 16 injuries, including smoke inhalation and minor burns; and approximately 91 reports of property damage.

The BoatUS Foundation for Boating Safety and Clean water is urging recreational boat owners to check their boats for the recalled extinguishers and get a free metal-handled replacement by going to the CPSC [recall website](http://www.recalls.gov).

The recall affects both plastic-handle and push-button Pindicator Kidde fire extinguishers, including 134, ABC- or BC-rated models manufactured between January 1, 1973, and August 15, 2017. The extinguishers are red, white or silver and were sold in the US and Canada through a wide range of retailers, from Montgomery Ward to Amazon. The CPSC [recall website](http://www.recalls.gov) shows how to easily identify the affected extinguishers.

In the recall, [Kidde also acknowledged](http://www.kidde.com) the free replacement push-button extinguisher being sent to personal watercraft owners is similar in size to the recalled model but may not fit in the same location as the old fire extinguisher. “This may require a slightly different mounting orientation or location,” said BoatUS Foundation Assistant Director of Boating Safety Ted Sensenbrenner.

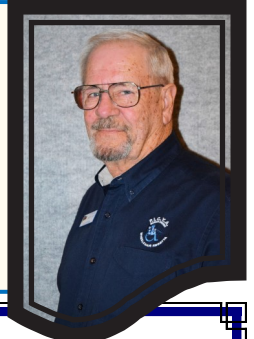

Kidde may also be contacted toll-free at 855-271-0773 from 8:30 a.m. to 5 p.m. ET Monday through Friday, 9 a.m. to 3 p.m. ET Saturday and Sunday. The company offers additional recall information online at [kidde.com](http://kidde.com) by selecting “Product Safety Recall.”

## SUNSHINE REPORT

**BY SUE MCDANIEL**

mcisback19@yahoo.com | 925.819.0723

A sympathy card was sent to former member, **Ardis Rettich**, in honor of her husband, **Tom**, who passed away suddenly. **Ada Salas** was in the hospital and a get-well card was sent her way. Everyone else has managed to stay pretty healthy!

Sue McDaniel

**RBOC**

**JACK MICHAEL**

**2013 PRESIDENT**

[WWW.RBOC.ORG](http://WWW.RBOC.ORG)

I hope you have missed my reports the past couple of months! You haven't really missed anything since the Legislature has been in recess and I have been too busy to prepare reports! However, the

Legislature will be back at it soon and we are getting prepared for another busy year. The State Parks Department has gone through an extensive self-reassessment and the Director of the Boating and Waterways Division has left. You may want to watch the news to find out about a replacement, or just wait until next month to find out what may be next! I will be going to a meeting of the Boating and Waterways State Commission in a couple of days to hopefully find out "What's Next"!

You may or may not know that Paul Clausen, Past Commodore of the Stockton Yacht Club and Carver Club, has been appointed to take my place on the RBOC Board of Directors. You also may or may not know that RBOC Directors who have served as an RBOC President have a position on the RBOC Board for the rest of their lives. That includes me, but Paul is the primary Director to contact if you have RBOC issues or questions!

You have likely been following the news regarding the Governor's "Water Fix" project which would likely take most of the water out of the Delta and send it south! The latest is that water agencies representing about half of the Project financing have voted against it! The RBOC Board has nine Directors each from Southern and Northern California. When the RBOC Board voted on "Water Fix" there was only one vote in favor of the Project – and it was a Northern California Director!!

I hope to have much more to report next month! Please enjoy the Holiday Season with a very Merry and Happy New Year!!

Jack Michael
