FROM THE BRIDGE
COMMODORE
JOE MIYAMOTO

Thanks to Judi Adcock, we held our second virtual meeting of the PYC Board. The meeting was held on May 6th and attended by nearly all of the Officers and Directors. Also attending the meeting beside board members were the chairpersons of the enterprises, bylaws, safety and house and rules committees.

The treasurer reported the taxes have been paid. The City of Pittsburg indicated they will be contacting the club to discuss our financial situation once the county public health department lifts the shelter-in-place order to open the club.

The PYC board approved the Nominating Committee consisting of Lynn Havens, chair and committee members Gary McGrath, Joe Dopart, George Converse and Adele Hicks Mirata. The committee will determine what vacant positions are needed to advertise in the July Yeoman.

The membership roster was updated on March 31st to include only those who have paid their dues. A current roster was needed to determine qualified candidates to fill positions for office. Margie Huff also volunteered to take over the 90 day membership.

The renewal quote of the insurance premium for both PYC and enterprises was provided by the insurer Hanover Insurance Company and approved by the PYC Board. The cost of the insurance premium for this coming year in June was lower by \$147 over the current year and will be paid in eleven monthly installments without any additional fees.

As a result of the Contra Costa County Public Health orders the Pittsburg Yacht Club has been closed since March 16th. The latest county public health orders required the extension of the shelter-in-place order through May 31, 2020. The order is complement to the stay-at-home order issued by Gov. Gavin Newsom which required people to stay at home except for doing essential activities. The governor developed four stages that will provide criteria to reopen businesses. Since the yacht club has an ABC Liquor License and county health permits, the club must follow steps to address restrictions under the State and county public health department. The governor indicated the state as a whole will advance from one stage to another while local jurisdictions will work on responsible reopening plans. Each county's public health department will advance through the stages at different rates with some progressing faster than others. Contra Costa County currently does not meet two of the six criteria on the Bay Area re-opening checklist. The number of people tested and contact tracking do not meet the criteria for our county, even the number of cases are flat or decreasing. Since we do not meet the reopening criteria, we are hoping we can obtain regulatory approval before the first events are held such as the birthday/anniversary party and welcome back dinner. Please check your emails and other club postings for updates.

To prepare for the re-opening of the yacht club, the PYC Board approved a set of temporary house rules to protect our members, bartenders, servers and cooks. Protective equipment is being purchased for nitrile gloves and sanitizer wipes. Diagrams were prepared for mapping physical spacing in the bar and dining areas. Plexiglass barriers will be erected by Shannon Davis to separate bar staff from customers at serving stations.

Deep cleaning of our bar area, galley and bathrooms were conducted. Special thanks for Jan Iaconis who led the cleaning effort. George Iaconis replaced a leaky faucet and repaired other connections needed behind the bar. The carpets were shampooed with funding by Mark Pavusko and Margo Miyamoto. Margo and Chris Brodsky hand scrubbed the carpet to eliminate the spots before the carpet was shampooed. The carpet never looked so good and will be ready to welcome back our members.

FROM THE BAR DECK VICE COMMODORE

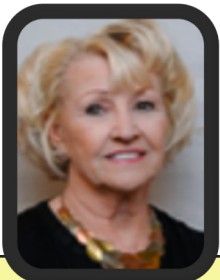

SHANNON DAVIS

vicecommodore@pittsburgyc.com
303.902.6120

We continue to follow the orders of the Contra Costa County Health Department which kept the club closed for the entire month of April. We have no sales data to report. As of this writing, we have no idea when we will be allowed to open. Apparently, yacht clubs are not essential! Who knew?

We don't know when bars will be allowed to open. When we do reopen, there are likely to be changes. We do not know what the new requirements for bars will be. We are studying the guidance issued by the state of California for restaurants. There is no guidance from the state for bars at this point. We plan to do whatever is necessary to open in compliance with health department and ABC regulations. We can not risk our health department or ABC licenses!

We have reduced expenses as much as possible. We have taken advantage of this closure to make some small repairs and perform some extra cleaning. We will reconfigure the club as necessary to meet any new requirements. We look forward to safely opening the club as soon as it is permitted. It will be wonderful to see each of you again. Take care and stay safe.

FROM THE REAR REAR COMMODORE DENISE DAVIS

rearcommodore@pittsburgyc.com
925.584.2767

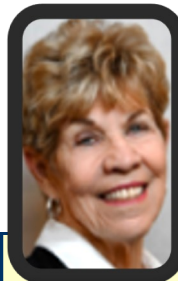

I have missed seeing all of you at the club. While the club has been shut down because of the coronavirus, we have continued to maintain the facility. We will be ready to open as soon as it is permitted by the county.

We have made repairs to the walk in refrigerator in the galley. We're keeping the beer cold. All other refrigerators were shut down to reduce costs.

The carpet looked dirty. Shannon moved the tables and chairs onto the dance floor. Margo Miyamoto and Chris Brodsky worked on their hands and knees to remove spots on the carpet. We had all of the carpet cleaned and it looks great. No spots!

Rich Hardy took down and stored our flags. Jan and George Iaconis repaired the lattice under the deck. George Grech is continuing to look after our outdoor plants. Jan and Kandi have done lots of extra cleaning behind the bar. Jan has also spent a lot of time doing detailed cleaning in the restrooms.

Thank you to all that have been helping. We all want to see each other again. We will have the club ready when given permission to open. We will make whatever changes are necessary to open safely. Hope to see you soon.

MEMBERSHIP & MARKETING MARGIE HUFF

margientom@aol.com
925.389.1644

Hi to the PYC membership; I've missed seeing you. Hopefully we are getting closer to reopening our beautiful club and enjoying a drink and our beautiful view from the deck. Granted there will be some new rules to comply with the Contra Costa Health Department restrictions for a while to help prevent the virus from spreading but it is a step towards our "new normal".

I, for one, will be glad for a social change of scenery and those of us that have pets know that our pets are wondering if we will ever get out of the house so they can resume their normal lives.

AS summer approaches I will be dealing with the Pittsburg Marina for potential 90-day members----a job our dearly departed Sharon Rintala did so aptly for us.

Also we are working on a new segment for the Yeoman to speak with our newer members and print a short bio with their picture so the rest of the membership can get to know them better. Watch out you may be next on my call list.

Until we meet again stay healthy and safe. I miss you all.

Meet Our Members

Get to know some of our members, old and new!

Tito & Shelly Dorsey

Introducing two of our newer members to our club are Tito and Shelly Dorsey. They first heard about The Pittsburg Yacht Club through their friends Peter and Meg Glenk.

They are a fun-filled couple and a great addition to our club. They have so many interesting stories and experiences to share with people.

They have lived in Pittsburg California for 32 years but Tito originally grew up in Philadelphia Pennsylvania

and Shelly is from New Orleans, Louisiana.

They both moved to Oakland, California in the early 70's and lived in the same apartment complex. They were excited to have met one another and have been together now for 33 years.

They are the lucky parents of an absolutely beautiful daughter, the grandparents of 5 grandchildren and the great-grandparents of 7 great-grandchildren. Unfortunately they all live on the East Coast in Philadelphia, Pennsylvania.

In their working careers, Tito worked for Dow Chemical and was a Fireman for the Pittsburg Fire Department. He also served our country in Vietnam. Shelly worked for the Fairmont Hotel in San Francisco and has many interesting stories to tell about her career there and all the interesting people that she has met.

Now that they are retired, Tito and Shelly love to keep active and have fun. They enjoy traveling and have been to the Dominican Republic, Cuba, Vietnam, Thailand, all over Europe, Martinique, South America and Alaska. Their favorite place to visit was Croatia. Their goal is to go to every continent. They have been to 5 so far and have 2 more to go to.

When it comes to being here locally, they both really enjoy our local restaurants like La Veranda and taking part in the many activities the town has to offer including playing Bocci ball.

They very much like The Pittsburg Yacht Club and really enjoy socializing and having fun with all of our members. We are so happy to have them as part of our club and if you haven't met them yet, be sure to say "Hello" to them once we return.

Frank & Carol Teiche

Frank and Carol are one of our favorite couples at PYC. They have been members for about 23 years. They really enjoy all the camaraderie at our Yacht Club. They love living so close and being able to run over to have a drink and/or socialize with all of us. They feel our club has great people. Frank is one of the patriarchs of our club.

Frank was born in Oakland and Carol in San Francisco. They both moved eventually to Orinda where they lived three houses down from each other. Frank's family owned a chicken ranch there. After getting together they

also lived in Pleasant Hill and Concord. They have now lived in Pittsburg for about 23 years.

They both graduated from Acalanes High School. Carol went on to San Francisco State. Frank went into the Army and served in Korea. He then went on to Cal Poly & graduated in 1960 with an Engineering degree. He worked at International Harvester truck plant for many years. Carol stayed home and took care of the house and children.

After Frank returned from the service, the little girl who lived 3 doors down was now grown up & very attractive. He and Carol have now been together for 63 years. They have 4 children, and 6 grandchildren of whom they are very proud of. One works for Apple, one is a famous artist and one is in a veterinary program.

They have had a very fun diversified life and call many places home. They have a tree farm in Garberville that Frank's Dad owned since 1902. It was divided between Frank & his sister. It is 2,000 acres & has beautiful fir and redwood trees on it. Frank still farms the lot with his huge tractor. He built a house up there also.

They also have a summer house in San Felipe, Mexico. It is a large home with a condo on it. Another fun place they have is a camping place in Arnold, California called Timber Trails, along with many other couples from our Yacht Club.

They love boating. They belonged to the Martinez Yacht Club for 20 years before coming over to Pittsburg Yacht Club. Frank was the Fleet Captain at one time. The first boat he owned with two other friends was a 12 foot boat with a 35 hp outboard motor that cost the 3 of them a total of \$150.00. Next, they had a 30 foot Bay Liner called Teiche Time. The next one "Sneaky Tiki", a Bayliner Avanti, sank at their dock. They now have a 34 foot Silverton names "Staying Afloat" due to obvious reasons as to what happened to their last one.

Needless to say, the most fun nights at Pittsburg Yacht Club are now known as "Fun, Food and Frank" So come on down when we open and be sure to have some fun with the two of them. They are a wonderful couple to get to know and you will have met two very special friends.

Ode to Jan

BY JOE DOPART

BY EVIE DOPART

Jan Cutaia's leaving, while we are all grieving.
She's moving away!! What can we say?
Let's enjoy her right now as she's leaving tomorrow—
So Jan, this is your life, Be Happy tonight! Then we will sorrow!

In 1957, to Italian parents born,
On March the 20th—their house she did adorn.
She's lived in Pittsburg, Oregon and Vallejo too,
But she's from Walnut Creek, folks, and that is really true!!

She joined us here on Heron Drive about 12 years ago,
Right here in our neighborhood at, New York Landing,
Her Christmas Parties were always the best,
You're lucky if you were still standing.

The pets she has she loves a lot,
Sharkey, Yankee, Thor and some what?
She just gave a stray cat, a new home,
The name's Crusty Rusty and now he'll never roam.

As an actress she's aspired, to do each and every role,
Mrs. Guido & Mrs. Santa, & Little Filly was her goal.
She brought new meaning to the Commodore of Vice
PYC's new Capri uniform—she did indeed look nice.

She did her job most faithfully,
Was at Pittsburg Yacht Club every day.
She enhanced the club, improved the drinks,
It was by far, Best Club on the Bay.

She has a secret longing,
That no one knows about,
She stages crime scenes on the side,
With certain people as her guides.

One night they staged a murder scene,
It just was too much fun.
Till Ralph and Gary came along,
And then their fun was done.

She livened up our club so much,
And thought up lots of themes,
Like bands, fund raisers, spaghetti feeds,
And took care, of all of the club needs.

She worked with everyone as a team,
And was always there for you.

No matter what the problem was,
She'd fix it and she'd follow thru.

If you weren't sure just what to do,
We'd say— Just go ask Jan.
She always had the answer too,
Even though it hit the fan.

The Red Hats would have loved this year,
She was graduating from pink,
As she just had turned that "50"
The famous Red Hat Link.

There isn't a job that Jan can't do,
Waitress, Assistant, Realtor too,
Bartender, Pet Sitter, Boat Drivers seat,
The Jan we know just can't be beat.

What will we do without her,
The answers very clear,
We'll wish her all the very best,
We'll always hold her dear.

So Jan, we want to say good-bye,
We'll try not, but we'll probably cry.
Remember us all, you'll part of our lives, <sigh>
Hurry back to visit us. And that's no lie.

In all our thoughts of you each day,
We know that you will find a way,
To be a big part of McMinville, Or-e-gon,
We know some day, you'll be Mayor of Town.

Don't be a stranger and please come to see us,
You know you'll be welcome, we'll make a big fuss.
Please send us your phone number, address and email,
We'll keep you all posted and that without fail.

WE LOVE YOU, JAN!!!
