Whether it be cooking a Wednesday or Friday night dinner, joining a committee or helping with an event. The success of our Yacht Club greatly depends on commitment and volunteering of all members.

Hope to see you all get involved!

FROM THE DESK OF REAR COMMODORE RICHARD HARDY

rearcommodore@pittsburgyc.com

December 26, 2017 - The first thing I had to do was round up people to take my place for my first duties of the year, set up for the New Year's Eve party, and the first person I went to was you're retiring Rear Commodore **Joe Dopart**. To him, and all that helped him, a big **"THANK YOU"**. Nothing happens in this club that does not require the assistance of the Rear Commodore. For the year that has past we all need to say thank you to both **Joe and Evie Dopart**.

It's going to take a couple of events or me to get in the swing of things with all of the responsibilities that come with this office.

With that being said, the most important thing that is needed is an excellent volunteer committee with multiple people performing the tasks that are required. To my great pleasure our new Commodore has assigned me a committee with excellent skills and knowledge to maintain, repair, and improve almost anything that may arise.

The first item of business will be to replace the rigging on the flagpole for the American flag. There will be a sizable expenditure of around \$500.00 for the new lines. They are not just any piece of rope that will fit on the flagpole. There is a stainless steel wrapped with in outer core that is UV resistant. The day of the old cotton line has long since passed. And hopefully, this will last another 4 to 5 years. We have reached a point where we can no longer put off our maintenance. We have got to make the repairs with the best parts to last as long as possible.

Just like our twenty-year-old homes, things are going to need to be replaced. Our water heaters are about ten years old. If they need to be replaced, the recommendations are the new tankless water heaters. These are designed to save on the gas bills. Currently we have a very large tank of water sitting waiting to be used. There is a smaller tank for the bar and the showers. To work on them now we have got to pull a permit with the City, making the job cost that much more.

To all the members that have volunteered to help, your services will be required at sometime this year. So just stand by and we will be finding you to put those services to good use.

With the hope for a great year to come, and a good year behind us, thank you!

Richard Hardy

For those that missed the Lighted Boat Parade Saturday the December the 9th, and I don't think there were many, It was a blast. We had over 90 people.

Evie Dopart very graciously agreed to play Christmas Carols on our piano, which attracted a chorus of many joining in.

Evie, you are so talented and always game for anything and everything. Thank you so very much. xxxxx

The food was delicious thanks to all who brought dishes to share.

The winners were as follows:

- 1st - **Johnny Morgan** & crew on Blitz
- 2nd - **Ron Kelly** & crew on EZ Ride
- 3rd - Lewis **LeFosse** and crew
- 4th & 5th were shared between **George Iaconis** and crew on Party of Five & **Frank Teiche** and crew on Staying Afloat.

The judges were **David Stickney, William Hawkins (Hawk) and George Converse**. They had a hard task as all the above boats were so excellently decorated.

Thank you all for so a grand job.

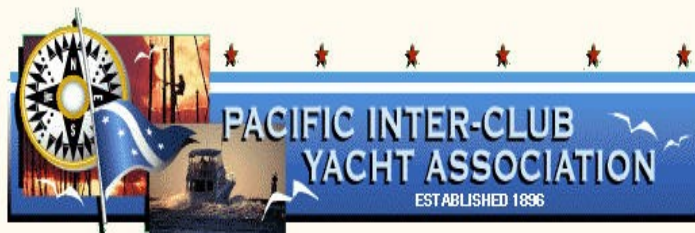

Our Barkeepers **Kandi Sweeney** and **Shelly Hawkins** were running off their feet. Thank you for always working so hard and smiling through it.

Joe Dopart and crew for setting up tables and the piano. Thank you.

As usual, I must give you our members, the biggest **THANK YOU** for your very much appreciated support. Not only did you bring yourselves, but also many guests.

Love you all and look forward to seeing you all next year, which already is looking very busy!

As there is no December activity, I am presenting a brief introduction to PICYA for the benefit of members new to Yachting.

A BRIEF HISTORY OF THE PACIFIC INTER-CLUB ASSOCIATION

Excerpted from the works of:

THE P.I.C.Y.A. HISTORICAL COMMITTEE May 15, 2013

The Pacific Inter-Club Yacht Association was formed in San Francisco, California May 12, 1896, with Charles G. Yale (San Francisco Yacht Club) as its first President. For some time prior to this, the major San Francisco Bay yacht clubs were considering an organization for inter-communication, uniform racing rules and to encourage yachting. The five charter clubs and the year they were founded were California Y.C. (1893), Corinthian Y.C. (1886), Encinal Y.C. (1890), Pacific Y.C. (1873) and the San Francisco Y.C. (1869). None of the still existing charter clubs has maintained continuous membership in PICYA. South Bay Y.C. founded in 1888 joined PICYA in 1897.

Mission Statement

"The purpose of this corporation is to constitute an association of yacht clubs and boating organizations, to promote inter-club communications, yachting activities and the social interaction relating thereto, and to organize and conduct programs which enhance the general welfare of the member organizations"

The PICYA Burgee

The original five-star burgee of PICYA is still used today. There was period when a new star was added when a new club joined. However, when eighteen stars were reached this became spatially impractical and the use of five stars was resumed. There is an indication that an adaptation with the two aft stars in the horizontal was used on a special burgee awarded to early placing racers.

Opening Day on the Bay

The largest single PICYA event is "Opening Day." This was a term used in the early 1890's when it was associated with the first activities of individual yacht clubs celebrating the spring season. It gradually became identified with the manual opening of the bridge at Corinthian Island, Marin County. This was an event viewed by yachtsmen and local residents as sailboats and "arks" passed through. These had been stored in Tiburon Lagoon to protect them from the ravages of winter. Individual clubs held their own "Opening Day" celebrations either independently or jointly. The first PICYA sponsored coordinated event was held in 1917 at the suggestion of Gus Dorn (CYC). There is an annual "Theme" for decorated boats with many trophies awarded along with the "Benham"

trophy, which is a competition for yacht club participation based on boats and distance traveled. Amended in 1968.

Legislative Boating Interests

One of PICYA's greatest contributions to the betterment of boating has been its effort in the legislative field. 1965 marked the leap forward when the necessity for an organization to make legislators aware of boat owners' needs and to guard against an increasing number of adverse bills being submitted in the legislature. This resulted in the nonprofit corporation, 'Boat Owners Associated Together' or B.O.A.T. formed by Past Presidents of PICYA as the first trustees. The Southern California Yachting Association was contacted to bring their half of the state into the field. B.O.A.T. was then reorganized to emerge as a statewide organization in September of 1968 making it an effective state legislative watchdog. In 1983 the name was changed to 'Recreational Boaters of California' or R.B.O.C. Each year nine directors appointed by PICYA and nine directors appointed by SCYA join in Sacramento to visit with Senators and Assembly members from their areas. This has been a very effective method of communication. In 1970, its success was attributed largely to the capable work of Executive Director, Jerry Desmond and his staff.

COTY

In 1993, Director George Neil of Richmond Y.C. developed the PICYA "Club of the Year" program to honor the clubs whose delegates were most effective in facilitating club participation in PICYA events. Clubs earned points in many categories including attendance at Delegates Meetings and participation in PICYA seminars and regattas. The member club with the most points at the end of each year would be named PICYA "Club of the Year." The first club to win this award was Bel Marin Keys Y.C.

Wheelchair Regatta

In 1997 Staff Commodore Margot Brown, (1995, first woman Commodore of PICYA) propose a Wheelchair Regatta. There were 8 boats and 68 veteran participants. Encinal Y.C. with its natural location and no public service event at that time was a good fit. There was a great deal of enthusiasm for the event at the time and it has increased in size and participation every year. It continues to be held at Encinal Y.C. on the last Saturday in September as PICYA's charity event.

PICYA & World-Wide Boaters Safety Group Scholarship Program

PICYA will award scholarships to graduating high school students or college students wishing to continue their education in approved institutions of higher learning. Funding is provided by donations from member clubs, memorial gifts and contributions by the World-
